Proposal to Send a Representative to the
Conference on Student Government Associations
Sponsored by: Will Hix ’12 and Angelo Carino ’11

Whereas the Conference on Student Government Associations (COSGA) at Texas A&M University “is the premier conference for Student Governments in the nation, providing a forum for discussion and growth on all issues pertaining to Student Government”;

Whereas last year COSGA welcomed 400 delegates from universities and colleges nationwide, the largest of any student-run conference of its kind;

Whereas the Student Assembly is in the process of reviewing and updating its constitution, an undertaking which would be greatly enriched by engaging in open dialogue with student government leaders from across the country; and

Whereas attending COSGA will allow the Assembly to establish contact with a multitude of student government leaders in a structured, educational format under a variety of conditions, including: lectures with expert speakers, workshops, and roundtable discussions of groups; now therefore be it:

Enacted, that the Executive Committee allocate $699 to send one of its members to the Conference on Student Government Associations in College Station, Texas. The budget shall be allocated as $250 for the participation fee, $60 for a round-trip Dartmouth Coach ticket, $339 for a round-trip plane ticket from Boston to DFW, and $50 for gas (400 miles at 20 mpg at $2.5/gallon).
